ADVANCE YOUR CAREER:
By visiting the first European Job Fair at BASEL LIFE you have the great opportunity to get personally in touch with your future employer and inform yourself about diverse job positions in Life Sciences.

GLOBAL NETWORKING:
The central point of this innovative exhibition will be a meeting-and-networking area for personal meetings and communication between industry and young scientists.

EXCHANGE AND EXPAND KNOWLEDGE:
Discuss your findings in Life Sciences with other experts, ask questions and seek advice.

Entrance is FREE, but registration is required. Please visit the website www.basellife.org for further information and registration.

Why to register for the first European Job Fair at BASEL LIFE:

The European Job Fair at BASEL LIFE is kindly supported by the following companies:
